Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Wednesday 06 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Increasingly cloudy overnight, mainly dry and bright on Thursday.

This Evening and Tonight:
Starting dry across the region with some clear spells. Cloud thickening from the west overnight, bringing the odd spot of light rain or drizzle, especially across the Derbyshire hills. Minimum temperature 8 deg C (46 deg F).

Thursday:
Rather cloudy to start, with a little light rain or drizzle in places. Brightening up by afternoon with some warm sunshine developing, especially in the east. Maximum temperature 20 deg C (68 deg F).

Outlook for Friday to Sunday:
Friday and Saturday brightening up after early low cloud and patchy fog, but with a little rain later on Saturday. Sunday cooler, with patchy rain clearing to sunny spells.
